

The Ultimate College Application Timeline

JUNIOR YEAR

SENIOR YEAR

- > Start standardized test prep
- > Focus on grades

- > Finalize your applications and essays
- > Submit any early action/early decision applications

- > Explore possible majors
- > Take the SAT/ACT if necessary

- > Complete the FAFSA
- > Submit any regular decision applications

- > Start building your college list
- > Plan campus or virtual visits

- > Review acceptance letters
- > Decide where you want to go

- > Search for scholarships
- > Time to prepare for applications!

- > Thank your supporters
- > Relax before fall. You did it!

No matter where you are in your education, Niche is here to help. You can use our free resources to navigate the college search, apply for scholarships and seniors can even get accepted to college — no application needed! Talk to your school counselor or visit directadmissions.com to learn more.

To keep track of every single thing you should do to prepare for college from freshman to senior year of high school, **check out [The Ultimate College Application checklist](#)**.
